The Texas A&M AgriLife Extension Service is committed to protecting its 4-H program, members, the 4-H name and emblem in Texas and the country. This protection comes through the commitment and requirement for all county, district, region, and state level 4-H clubs and groups to have current charters and understand the value of those charters.

Chartering 4-H clubs and affiliated groups, or granting permission for groups to operate in the name of 4-H, dates back many decades. Texas 4-H began to charter all clubs and affiliated groups in 2003 following a directive from National 4-H Headquarters at USDA.

With changes at the national level, chartering is now state-based. As a result, all Texas 4-H clubs/groups must charter to receive permission to operate and use the name/emblem of 4-H. More specifically, this document provides an overview, as well as instructions, for both county offices and club/group leadership, to understand the need and requirements for chartering a 4-H club/group in Texas.

Section 1: What's New for 2018-2019

Several changes have been made to the Texas 4-H Chartering process for 2018-2019. These changes are a result of a continual review of management procedures and processes related to 4-H clubs, financial management, and rules and guidelines. The changes for 2018-2019 include:

- All Texas 4-H Clubs and Groups must have adopted and be operating under the Bylaws released during the 2017-2018 chartering process. A grace period for the adoption of those bylaws was given for the 2017-2018 4-H year with ALL clubs/groups required to have them adopted for the 2018-2019 4-H Year. Please do not alter the bylaw wording.
- All 4-H clubs/groups must be chartered by February 28, 2019 for the 2018-2019 year. This ensures that all community 4-H clubs will be active for at least six months in order to provide a quality 4-H experience. For SPIN clubs or other special situations related to the formation of a club/group after February 28th, a request for late submission can be made to the Texas 4-H Office.
- 4-H Clubs/Groups which are not going to be active for the 2018-2019 due to lack of leadership or membership, but would like to retain their EIN, are required to charter and request an "INACTIVE" status for the 2018-2019 year. This will allow the club/group to remain under Texas 4-H Inc. for one 4-H year. If the club does not become active after one year of inactive status, the club will permanently be removed from Texas 4-H Inc's IRS list.
- The most current bank statement(s) is uploaded as part of the chartering packet, but it **MUST NOT** include copies of canceled checks. This is for security of the club/group account(s).

Section 3: Why Charter a 4-H Club/Group

What is a Charter?

A 4-H charter is a "permit" issued annually for use of the 4-H club name and emblem. It allows a group to function with all the rights and privileges of 4-H membership. Once a club/group is officially chartered, the county office can download a letter from 4-H CONNECT with the club name and 4-H year to validate their charter recognition for the current 4-H year.

If the club/group is its own IRS recognized 501(c)(3) organization, they must file separately with the IRS on an annual basis, but still must be chartered as a Texas 4-H club/group for recognition.

Purpose of Establishing and Chartering a 4-H Club/Group

Chartering is a legal process which allows faculty to verify the financial status, business (with list of officers, volunteers, etc.) and legal documentation for each group operating in the name of 4-H. The chartering of a local 4-H club or group by the Texas 4-H Office allows the club or group authorization to use the 4-H name and emblem, and be recognized as an Internal Revenue Service 501(c)(3) not-for-profit group under the umbrella of Texas 4-H, Inc.

WHAT DOES A CHARTER PROVIDE?

A chartered 4-H Club/Group under Texas 4-H, Inc. provides the following benefits:

- Use of the 4-H name and emblem.
- General Liability Insurance for facilities and meetings.
- Accident/Incident Insurance for **ACTIVE** 4-H youth and volunteers during 4-H sponsored meetings/activities/contests.
- IRS recognition as an entity under a 501(c)(3) not-for-profit organization.

4-H Clubs/Groups who are not chartered are not allowed to use the 4-H name and emblem and are NOT considered a 501(c)(3) organization, therefore required to pay income tax annually.

Who Must Be Established and Chartered in Order to Use the 4-H Name and Emblem?

In Texas, all 4-H community, project, and activity clubs, SPIN clubs, or groups must be annually chartered. For a club/group already established under Texas 4-H, Inc., the chartering process should be completed by July 15th of each year. Examples of groups which must be chartered include, but are not limited to:

- County 4-H Council
- County Volunteer Leaders Association
- County 4-H Booster Club
- County 4-H Clover Kids Groups
- County 4-H Ambassador Program
- District 4-H Program Development Committee
- District 4-H Council
- District Volunteer Leaders Association
- Texas 4-H Council
- Texas 4-H Youth Development Foundation
- State and District AE4-H Associations

Groups, or organizations, who wish to use the 4-H name and emblem but are not under the direction of Extension and have an independent board of directors should be issued a memorandum of understanding (MOU) regarding use of the 4-H name and emblem. Some examples of this are stock show boards, other 501(c)(3) 4-H foundations, private foundations or fund raising groups. The letter would come from the County Extension Agent granting permission to use the name and emblem if their work is in the best interest of the local 4-H program. See example of MOU letter on page 8.

Section 4: Requirements to Establish or Charter an Existing 4-H Club/Group

Required for ALL 4-H Clubs/Groups

1. Charter Application

Every club/group must submit an online chartering application through the Texas 4-H CONNECT system (*It will show up as an EVENT under ADULT profiles called: 18-19 CLUB CHARTER APPLICATION*). The application and necessary uploads can be completed by either the county Extension office or the club/group manager. (The county Extension office will decide the procedure each county will follow.) Once the charter application has been completed and required documents uploaded, the club manager/county office will submit for review at the county and then the state level. A worksheet has been created and provided to assist the County Extension Agent and volunteer in collecting and organizing all required information for the online form. **DO NOT** upload the worksheet; it is for guidance only.

2. Bylaws

- An approved (or proposed) set of bylaws must be provided annually.
- Bylaws must adhere closely to the sample set provided by the Texas 4-H Youth Development Program (REVISION DATE: MARCH 2018). All items presented in bold type cannot be edited and/or deleted and must be present in every club/group bylaws regards of type of club (community, SPIN, etc).

Additional Requirements for 4-H Clubs/Groups Who Have or Will Be Handling ANY Funds and/or Have a Financial Account

3. Employer Identification Number or EIN

- Upon the 4-H club/group being established, the club/group must apply and receive an Employer Identification Number (EIN) from the Internal Revenue Service if any financial account will be held.
- 4-H clubs/groups who are being chartered within, and as part of, school districts, children's homes, or other organizations, can use the parent organization's EIN, but will not be under Texas 4-H, Inc for their not-for-profit status. Instead, they would file their 990 separately.
- For additional information on applying and managing a 4-H club/group EIN refer to the information provided in a later section.

4. Bank Accounts/Information

- Annually, the 4-H club/group will provide a copy of the most current bank statement for each of the accounts the club/group manages. Do not include statements with copies of canceled checks.
- Bank account requirement - all bank accounts require at least two signatures, one youth (club treasurer) and one adult (club manager), and these individuals **MUST** be from different households and not related.

5. Annual Review of Finances

- Working with the County Extension Office/Agent, the 4-H club/group will conduct a financial review of all funds received and distributed during the 2017-2018 4-H year.
- Review will be conducted by adults NOT associated with the club/group and/or the County Extension Office.
- The completed and signed 2017-2018 Financial Review Form must be included as one of the required documents in the chartering process.
- The financial review is conducted annually. Based on chartering process, the review may not be conducted at the end of the fiscal year.
- Once a review time has been established, the club/group is encouraged to remain on that review schedule for the following years.
- For more information on the Financial Review, refer to the Texas 4-H Financial Management Rules & Guidelines Document and the Texas 4-H Youth Development Program Annual Club/Group Financial Report.

BEFORE ESTABLISHING A NEW 4-H CLUB/GROUP, REMEMBER:

- The club/group must have a name that does not discriminate, offend or intimidate others from joining.
- Meeting location, day and time that is public for others to visit and join.
- A minimum of at least one ACTIVE volunteer leader who will serve as a club manager.
- Five or more youth members from at least two different families.
- Commitment from adults/families for the club/group to remain in operation for at least five years.

Section 5: Process for Chartering a 4-H Club/Group

Below are the steps for completing the chartering process:

1. County 4-H Coordinator should meet with club/group leaders annually to explain the requirements for club/group chartering. (Can be most effective incorporating it into club manager/project leader trainings conducted during this period.)
2. County Extension Agents should distribute necessary information along with a deadline date for all information to be submitted back to County Extension Office by club managers/project leaders. (July 15th is the deadline for submitting and approving at county office all club/group applications wishing to be active on Aug 15th. Based on state deadline, county deadline should be established early to allow for any follow-up and "late" submissions.)
3. Club managers/project leaders responsible for club/group will complete worksheet and gather all information needed for the chartering process. Information will be scanned into pdf format by either the club manager or county office. (Smart phone apps such as Genius Scan can be used for taking scans of documents and submitting).
Information required to be collected, scanned into one (1) pdf file, and uploaded during application process:
All 4-H Clubs/Groups
 - Bylaws for all new clubs/groups or for existing clubs/groups and revised bylaws.4-H Clubs/Groups With Financial Accounts
 - Most Current Bank Statement(s) for all club/groups who have funds.
 - Annual Financial Review Form for all existing clubs more than 6 months old and who have bank account(s).
4. For a new club/group having a financial account, the club must also upload the EIN verification letter from the IRS into the "EIN Verification" box. Any club/group that has had to request a NEW EIN will need to upload the new verification document as well.
5. Once chartering information is gathered and scanned into a pdf format file, either the County Extension Office or the club manager can log into 4-H CONNECT and complete the Club Chartering Application, listed as an event under adult profiles.
6. Once all information is complete and documents uploaded, the charter will be submitted to the county level for a detailed review and approval. (COUNTY AGENT/OFFICES: The review is completed the same as an event certification).
7. Once reviewed on the county level and submitted, the application will be reviewed at the state level. If complete, the state office will accept the charter and turn club from CLOSED to CHARTERED in 4-H CONNECT. This will then allow 4-H members and adults to enroll in that club.
8. If information is incorrect or incomplete, it will be returned back to the person who submitted the application with an explanation of corrections needed. During this time, the club/group will remain unable to enroll by youth and/or adults.
9. To avoid delays, charter each club separately.

HOW TO ENSURE CHARTERING OF CLUB/ GROUP WITHOUT DELAY

- Ensure the name of the 4-H club/group, the name of the club bank account, and the IRS EIN verification letter match exactly. If they do not match, either the club manager and/or County Extension Agent needs to work to correct the issue and ensure consistency among all documents.
- Do NOT upload blank pdf documents.
- Bylaws, Bank Statement(s), Annual Financial Review are uploaded as one pdf scanned document for the 18-19 year. To avoid approval delays, please ensure that all documents are clear and can be easily read.

Section 6: Best Practice Management - Employee Identification Number

Information gathered from IRS publication 1635 (Revised 4-2011): "Understanding Your EIN"

An Employer Identification Number (EIN) is a nine-digit number the IRS assigns in the following format: XX-XXXXXXX. It is used to identify the tax accounts of employers and certain others who have no employees. The IRS uses the number to identify taxpayers that are required to file various business tax returns. EINs are used by employers, sole proprietors, corporations, partnerships, non-profit associations, trusts, estates of decedents, government agencies, certain individuals, and other business entities. Clubs should use their assigned EIN on all of the items that are sent to the IRS pertaining to the 4-H club/group.

EIN Number and Tax Exempt Organizations (4-H)

IRS Section 501(c)(3) Organization

This is an organization that is organized and operated exclusively for one or more of the following purposes: charitable, religious, educational, scientific, literary, testing for public safety, fostering national or international amateur sports competition (but only if none of its activities involve providing athletic facilities or equipment), or the prevention of cruelty to animals.

Contributions to domestic 501(c)(3) organizations, except organizations testing for public safety, are generally deductible as charitable contributions on the donor's federal income tax return.

Group Exemption Letter: A group exemption letter is a ruling or determination letter issued to a central organization recognizing, on a group basis, the exemption of subordinate organizations on whose behalf the central organization has applied for recognition of exemption. A central organization is an organization that has one or more subordinates under its control. A subordinate organization is a chapter, local, post, or unit of a central organization. For 4-H clubs/groups in Texas this Group Exemption Letter is issued to Texas 4-H, Inc., with each 4-H club/group filing under their group exemption number. **The group exemption number, or GEN, for Texas 4-H, Inc. is 5932.**

Exempt from Federal Income Tax

Except for private foundations, which must file Form 990-PF annually regardless of gross receipts, an exempt organization that normally

has \$50,000 or more in gross receipts must file an exempt organization information return Form 990, Return of Organization Exempt from Income Tax, whether or not the organization has formal tax exempt status. Most organizations not required to file a Form 990/ Form 990-EZ or Form 990-PF are required to submit a Form 990-N, e-Postcard. Refer to the table below to determine which form your club/group should submit.

Section 7: Texas 4-H Inc. and EIN

Below are the suggested best practices for County Extension agents/offices, club managers, and/or other volunteers responsible for the financial management of the 4-H program to use in the various situations.

New 4-H Clubs/Groups and EIN's

New 4-H clubs/groups forming and planning to manage funds within the Texas 4-H Youth Development Program are required to file and have an EIN prior to being chartered. EIN's can be applied for through the IRS.gov website (do not use a .com, .net, or other site). Once you apply via the IRS.gov website you will receive your EIN immediately. You can then download, save, and print your EIN confirmation notice. **The group exemption number, or GEN, for Texas 4-H Inc. is 5932.**

Other Issues a Club/Group May Experience Related to EIN's

- **Lost EIN.** You can contact the IRS at 800-829-4933 during the operation hours of 7 am to 10 pm, Eastern time. The assistor will ask you for identifying information and provide the number to you over the telephone, as long as you are the person who is authorized to receive it. Once you receive it, ask if a letter verifying the number can be mailed to the address listed, or change address to that of the county Extension office.
- **Cannot Locate the EIN or Person Who is Contact on EIN.** If you know that your club/group has an EIN, but cannot locate the number, the person associated with the EIN, or any other information pertaining to the number, then you will need to file for a new EIN and the steps listed under the New Clubs and EIN section can be followed. When re-filing for a new EIN list the county Extension office as the mailing address, with the current club manager/treasurer as the contact, to prevent future issues.

ACCEPTED DOCUMENTATION FOR 4-H CLUB/GROUP EIN

One of the requirements for chartering a 4-H club/group is to be able to verify the club/group EIN. The Texas 4-H Youth Development Program and Texas 4-H, Inc. will accept one of two forms of verification for this process. The two accepted documents are:

- **Internal Revenue Service Determination Letter (see sample on page 9).** This letter is provided by the IRS upon a club/group applying for an EIN. The letter will indicate the name of the club/group, the contact person, and the EIN.
- **Confirmation of an ACCEPTED 990 Filing.** If your club/group has been able to use the on-line electronic filing of your annual form 990-N (e-postcard) and it was **ACCEPTED**, you may use the accepted confirmation as EIN verification. Make sure the verification has the name of the group and the EIN listed on the confirmation.

Suggested Steps to Acquire a Copy of the IRS Determination Letter

1. Contact the club/group manager and/or treasurer and first see if they have the determination letter that was sent from the IRS when the EIN was initially requested.
IF THEY HAVE IT, THE PROCESS IS COMPLETE. IF NOT, PROCEED TO STEP 2!
2. If the club/group manager and/or treasurer does not have the determination letter, try to determine who was the original contact (person who filed for the EIN). If you can find this person, ask them to call the IRS and ask for another determination letter for the club/group. HINT: Have the contact person update the contact name and the address of the EIN. You may use the County Extension Office address on the EIN, but have the current club/group manager as the contact individual.
IF YOU ARE ABLE TO GET THE EIN CONTACT TO HAVE ANOTHER DETERMINATION LETTER SENT AND UPDATED WITH CURRENT CONTACT NAME AND ADDRESS, THE PROCESS IS COMPLETE! IF NOT, PROCEED TO STEP 3!
3. If you do not know who the contact for the EIN is, or if they are no longer involved in the program (or cannot be located), then the best option is to apply for a new EIN using one of the methods explained on the previous page.

EIN TIP: If a club/group has to apply for a new number, or contact the IRS, it is a best practice to update the contact with the new club manager/treasurer and list the contact address as the County Extension Office so any future correspondence will be sent to the County Extension Office.

WHICH FORM DO I SUBMIT?

Exempt organizations usually file a Form 990 series return plus other returns that apply (such as employment or excise tax returns). The exempt organization forms which Texas 4-H will use are listed below:

Form Number	Form Name	Who Should Use this Form
Form 990-N	e-Postcard (Electronic Notice)	Clubs/Groups who have made under \$50,000 in gross receipts for the year.
Form 990-EZ	Short Form Return of Organization Exempt From Income Tax	Clubs/Groups who have made over \$50,000 but not more than \$200,000 in gross receipts for the year.
Form 990	Return of Organizations Exempt From Income Tax	Clubs/Groups who have gross receipts over \$200,000 for the year.

Section 8: Texas Sales Tax and 4-H Clubs/Groups

Currently, all Texas 4-H clubs/groups are required by Texas law to pay state sales tax on any purchases of goods, equipment, and supplies purchased. The only exception to this rule is if a 4-H club/group has applied for, and received, a Texas Sales and Use Tax Permit through the Texas Comptroller of Accounts Office in Austin, Texas. Clubs/groups have to apply individually. There is NO group waiver. A 4-H club/group is not allowed to use the County Government or other entities' Texas Sales and Use Tax Permit to purchase goods, equipment, and supplies. If a 4-H club/group has acquired a Texas Sales and Use Tax Permit on its own then the 4-H club/group is legally responsible for filing all required monthly, quarterly, or yearly documentation directly to the Texas Comptroller of Accounts.

The use and granting of a 4-H Club/Group 501(c)(3) status through Texas 4-H, Inc. only applies to the EXEMPTION OF FEDERAL INCOME TAX, and NOT state sales tax.

For more information on Texas Sales Tax Exemption for a 4-H Club/Group refer to the Texas 4-H Requesting Texas Sales Tax Exemption document located on the Texas 4-H website at: texas4-h.tamu.edu.

Section 9: Management of Administrative Clubs

All administrative clubs (Delivery mode: 9) Administrative/Organization Unit) such as Adult Leaders, Youth Boards, or 4-H Councils for the 2018-2019 year must be chartered and will have an ACTIVE (Chartered) Status in 4-H CONNECT. This means that it will be an "open" club for youth and adults to enroll under, unless the County Extension Office adjusts the club information.

This will allow County Extension Offices/Agents to access chartering information and Texas 4-H, Inc. determination letter.

TO LIMIT ENROLLMENT IN ADMINISTRATIVE CLUBS/GROUPS

1. Log into 4-H CONNECT
2. Click on Enrollment tab and then on the Clubs Icon.
3. In the list of clubs, click the edit button beside the administrative club you wish to limit enrollment in.
4. Once in the club information, there is a line in the first section called: Maximum Number of Youth.
5. Using the pull down tool, change the number to "1".
6. Scroll to bottom and save changes.
7. After the new 4-H year has started, select one 4-H member (Agent/Support Staff child, or senior leader youth) who has re-enrolled and "enroll" them in all your administrative clubs. This will now lock any other youth from enrolling in those clubs.

Section 10: Revoking of a Charter for Club/Group

County Extension Agents may request a 4-H Charter be revoked if clubs are not following Texas A&M AgriLife Extension Service, Texas 4-H, Inc., and/or National 4-H Headquarters procedures. Examples include, but are not limited to:

- clubs that do not meet the minimum number of members requirement or members not enrolled on 4-H CONNECT,
- no enrolled adult volunteers,
- not submitting requested paperwork in a timely fashion,
- lack of financial accountability,
- not submitting a IRS 990 for three (3) consecutive years regardless of club having money, etc.

The Texas 4-H Rules and Guidelines provide more information on revoking 4-H club charters.

Section 11: Disbandment of 4-H Clubs/Groups

In some cases due to lack of participation, a club/group may need to disband. If this is the decision of the club/group it must be voted upon, and approved, by the members. Once approved, the club manager will work with the County Extension Agent(s) to transition all financial and physical assets to the 4-H club/group identified in the club/group bylaws.

For more information about the process of disbanding a 4-H club/group refer to Appendix D: Disbandment Process/Checklist for Texas 4-H Clubs/Groups on page 10 of this document.

NOTE:

Clubs/groups will not be visible for enrollment for youth and/or adults until the club has been fully chartered for the 2018-2019 4-H year.

Appendix A: Chartering at a Glance

STEP 1: Required for ALL 4-H Clubs/Groups

1. Charter Application

Completed through 4-H CONNECT under the events area. Can be completed by County Extension Office/Agent or Club Manager.

2. Bylaws

Must be complete and include dissolution clause indicating residual dollars and assets will become property of county 4-H program.

REMINDERS

- All chartering is completed on 4-H CONNECT under the event called: "18-19 Club Chartering Application."
- Either the Club Manager or the County Extension Office/Agent can complete the application.
- Deadline for clubs/groups wishing to be active on Aug.15, 2018 when the new 4-H enrollment starts is July 15, 2018.
- Deadline for chartering any 4-H club/group for the 2018-2019 4-H year will be February 28, 2019. Any club forming after this date will need to request approval from Texas 4-H Office.

STEP 2a: Clubs/Groups Managing Money

3. Employer Identification Number (EIN)

If the club/group is new for the 2018-19 or if the EIN has changed for an existing club/group, the EIN letter from the IRS must be uploaded as a separate document into the charter application in 4-H CONNECT.

The below documents are uploaded with the bylaws as one pdf file.

4. Bank Account Statements

Club/Group must provide the most current bank statement for all accounts managed.

5. Annual Review of Finances

Counties must use the Texas 4-H Financial Review Form and conduct a review for each 4-H club/group managing funds.

STEP 2b: Clubs/Groups with **NO** Money

If the 4-H club/group DOES NOT or WILL NOT have a bank account and any physical assets at anytime during the 2018-2019 4-H year, they do not have to have:

3. Employer Identification Number (EIN)

4. Bank Account Statements

5. Annual Review of Finances

This option does not make the club/group a 501(c)(3) organization and therefore cannot accept any donations, sponsorships, dues, or hold any fund raisers. If the club/group decides to manage any monetary funds they will need to file a new charter application with all information indicated in Step 2a.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN [REDACTED]. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for formal recognition of tax-exempt status, most organizations will need to complete either Form 1023, Application for Recognition Under Section 501(c)(3) of the Internal Revenue Code, or Form 1024, Application for Recognition of Exemption Under Section 501(a). Submit the completed form, all applicable attachments, and the required user fee to:

Internal Revenue Service
PO Box 12192
Covington, KY 41012-0192

The Pension Protection Act of 2006 contains numerous changes to the tax law provisions affecting tax-exempt organizations, including an annual electronic notification requirement (Form 990-N) for organizations not required to file an annual information return (Form 990 or Form 990-EZ). Additionally, if you are required to file an annual information return, you may be required to file it electronically. Please refer to the Charities & Non-Profits page at www.irs.gov for the most current information on your filing requirements.
